

# CompSys 2023: Dutch Computer Systems and Networks Research

27-29 June 2023

Soesterberg, The Netherlands

Nirvana Meratnia (TU/e)

Qing Wang (TUD)

Kuan-Hsun Chen (UT)

## What is CompSys?

**Community building / Panel Discussions / Exciting Ideas**  
for Dutch Computer Systems and Networks Research

For ASCI PhD students, attending a conference is worth 2 ECTS :)

## Highlights this year

- **Three types of contributions:**
  - research papers (max. 12 or 15 pages)
  - work-in-progress papers/early ideas (max. 2 pages)
  - negative/failed research results (max. 2 pages)
- 28 TPC Members (TU/e, UT, TUD, VU, RUG, UU, UVT, LEI, UVA, etc.)
- **Four Keynotes**
  - Mitra Nasri (TU/e)
  - Haitham Hassanieh (EPFL)
  - Frans Widdershoven (NXP)
  - Bahare M Khorsandi (Nokia Bell Labs)
- **Two Panels**, discussing “How does industry uptake academic research?”

## Date and Location
