Professor
TU Delft

Elena Lazovik

Senior Scientist
ACE Research group
TNO

Daniele Bonetta

Assistant
Professor
VU Amsterdam

Mission:

- Promote and enable industry-academia **collaboration**
- Initiate **joint initiatives** and projects
- Support and facilitate **tech transfer** (startups, PMOs)
- Create funding and/or co-funding opportunities (e.g., for consortia)

Tasks & activities

- Create and maintain a list **of go-to persons** for industry contacts, including:
 - Industry PoCs (e.g., PhD awards, fellowship programs, etc)
 - Academic proxies (e.g., talk to XXX at UvA if you want to reach out to YYY but don't know anyone there)
 - Government and public sector PoCs
- Maintain a **marketplace** for internships/projects and job opportunities
 - MSc theses
 - PhD opportunities
 - Dedicated page with open positions at Industry
- **Outreach**: organize industry-related events for discussion/networking (e.g., at ICT open or CompSys or round tables)
- **Next meeting: Tue 24 June at 3:00pm** – online, details will follow
 - *on the long run*: meetings every 2m to discuss about strategy/ideas/etc
 - yearly in-person meeting (e.g. co-located with CompSys, ICT open,)
